1. According to reports, Admiral Maugeri feels his position as Chief of Staff of the Italian Navy to be insecure.
2. In this connection, antagonism is said to exist between Maugeri and Admiral Massimo Giosi, and Maugeri, fearing that the Left will back Giosi whose son is allegedly a strong Republican, is reportedly pursuing a middle course between the Western and Eastern blocs.
3. Meanwhile, Maugeri has directed the Naval Press officer, Galleani, to have the meeting between the United States Fleet and Admiral Manfredi in Sardinian waters played down in the local papers.

Comment: Maugeri is considered to be a complete opportunist who worked with all political parties to gain his present position and who will bend under the strongest pressure to save his position at any price.)
